My dear Anna.

We are reviewing
our old delightful experiences
at our first green pasture
& find them all they were
quite a concert last night
between Mr Tompkins
the violinist Mr Lyack
& the Oak Park which
led our Chicago minister
who is here to remark that
he was proud of our American
Ladies Keep well till
we come It won't be long
now. Just received a
letter from Annie Gavin
Less Young & Bertha Benson
I must close now a
minute Fondest love

From your loving child
Caroline.
